

Earn Free CEU Credits!

PhysNet acknowledges the ongoing need to provide our valued clients with convenient opportunities to earn Continuing Education Units (CEUs). Through PhysNet, Workers' Compensation claims professionals can acquire CEUs **free of charge**. This live CEU webinar session, lasting one hour, grants attendees the chance to earn one continuing education credit.

Date	Time (EST)	Credits Offered	Topic
May 22, 2024	2:00 p.m.	CCMC: National Workers' Comp Adjuster: AL, CA*, FL, GA, IN, LA, MS, NC, NV, & TX	Onsite Rehabilitation: Contemporary Functional Rehabilitation for Today's Industrial Athlete

*CA: Workers' Compensation adjusters will receive a certificate to provide to their employer for reporting purposes. CA is a self-reporting state.
